Answers to these questions to be as full and as accurate as possible, and to be signed by whom the

exposed to such influences, or other cause from which it may have resulted.

5. Describe the man's present state, whether the disability is likely to be permanent or only temporary, stating in the latter case its probable duration, and in all cases how far it will probably affect his future power of contributing to his own support.

6. State how far the disability has been caused or aggravated by Intemperance or other vices.

Answers to these questions to be as full and as accurate as possible, and to be signed by whom the

4. If the disability be attributable to malarious or climatic or other influences, state whether prevalent in the Regiment at the time, or if the man was by any act of Military duty exposed to such influences, or other cause from which it may have resulted.

5. Describe the man's present state, whether the disability is likely to be permanent or only temporary, stating in the latter case its probable duration, and in all cases how far it will probably affect his future power of contributing to his own support.

6. State how far the disability has been caused or aggravated by Intemperance or other vices.

Signature *W. Russell Bress* Place *London* Date *3rd May 1870*

NOTE.—As the object of these questions is to enable the Commissioners of Chelsea Hospital in possession of the most RELIABLE INFORMATION, grounded on the opinion of those best capable of judging, to guide them in deciding upon the man's claim to pension, full and decisive answers must in all cases be given.

Opinion of the Inspecting Medical Officer.

I hereby declare that I have read the Medical Records of the case of No.

Regiment and have carefully examined the man himself, and have verified the answers of

(name the Medical Officer) to the above questions, and I am of opinion that the disability of No.

Regiment, is fully and accurately described, and that it permanently incapacitates him for the active duties of a Soldier.

Signature of Principal Medical Officer.

Place Date

I concur in the opinion as to this man's unfitness for further Service.

Signature of the Inspecting General Officer

The discharge of the above-named man is approved by His Royal Highness the Field Marshal Commanding-in-Chief.

Horse Guards, 11th June 1870.
